

In 1998 we moved to Austin from the Boston area. I was drawn to the Seth books and started looking for a group to get involved with. I connected with James who connected me with Katherine. We met at a restaurant and she told me about the Awakening Tribe. I was excited!

I went to a Peter gathering, was hooked and I never looked back! You see, you can't talk about Peter without talking about Kay and Jan. The channeling workshop Kay did, the talks with Jan, with Kay, the connections made - what a wonderful journey! I've loved all of the trips and adventures I've taken with the tribe.

I am a better person because all I have learned and all they have given to me! I talk about that in more detail in my memoir. Simply, Kay and Jan both emanate love/acceptance and they have changed my life in so many ways. I carry their words and spread the message to others at times.... "Who am I and what do I want?" "You can't do it wrong."

I am forever grateful.
